

Here's to a New Year!

We invite you visit us in **Booth 1001** at the **2020 STMA** show in West Palm Beach, Florida. See our selection of indoor and outdoor sports protective padding for stadiums, courts, practice facilities, and arenas.

Our padding sets the space!

With over 50-years of industry experience, we install and maintain padding in private, district, collegiate, and professional ball parks all over the country. Feel free to contact me in advance of the show with any questions.

SHOW SPECIAL!

\$500.00 off of any GRAPHICS order

Promo Code: **STMA2020** (Offer expires Feb. 28, 2020)

Spruce up your field with BIG and BOLD team names, logos, and mascots. Generate revenue with color-matched over-sized printed sponsorship advertising and graphics.

We take padding across backstops, along rails, down slopes, up poles, behind end zones, into corners, through tunnels, over gates, inside bullpens, up foul lines, and pretty much anywhere else.

Padding Inside or Outside

Areas of activity require specifications and appropriate padding to protect players and spectators. Come to us for standard or custom solutions using almost any color of vinyl banner or vinyl covered padding. That includes cut-outs, angled pads, rotational signs, scissor lift bases, gates, beams, seat covers, and tarps.
